- Students who attend both RSD/RSB (Ballet shoes).

If all girls could please arrive in their RSD Dress only (no other uniform items such as wrap tops/jumpers/tulle skirts/hair accessories are to be brought to the venue as too many extra items could very easily end up in the wrong bag or go missing).

*All girls should also arrive in their **tanned stockings** and **white frill socks**. If all boys could please arrive wearing white fold over socks and their black jazz shoes (see extra items required doc for reference).*

**ALL Ready Set Dance students -
DO NOT FORGET TO PACK BLACK TAP SHOES IN YOUR
CHILD'S BAG.**

All students are to bring one backpack with the following only -

- *Tap shoes if your child does tap*
- *Water bottle*
- *Spare stockings/socks if parents want to pack either of these spare items just incase, however this is not compulsory to do so.*
- *If wearing underwear, it might be worth packing a spare pair of undies just incase of any accidents.*

Please make sure that ALL belongings are labelled with your child's name on it.

We cannot be responsible if something goes missing without a name (this includes a water bottle).

- *NO jewellery is to be worn besides little plain gold or silver sleepers or studs if your child has their ears pierced as we understand these may need to stay in.*
- *NO lipstick or other make-up is to be brought to the venue as this could end up on a child's costume.*
- *NO nail polish or fake tattoos.*

Please make sure that your child eats before they arrive at the venue as no food is allowed to be brought backstage with the venue's backstage policies.

Each child's costume/costumes will be at the venue hung up in each dressing room with your child's name on it. Once students arrive, the helpers will change each child into their first costume of the night. After the finale, helpers will change students back into their Ready Set Dance uniform and no costumes are to leave the venue.

ALL HELPERS HAVE A
WORKING WITH
CHILDREN'S CHECK

We have never had a situation like this before but if for any reason that a child becomes hysterical and we have tried all that we can to calm them down but they are just wanting to be returned to Mum or Dad, Miss Rachael will call you to come and pick your child up the side stage door which is located on the left hand side of the auditorium.

We understand families may be disheartened that they will not be able to take photos of their child in their costume at home and so we want to ensure families that we will be allocating one of our Senior assistant teachers to take individual/group photos of the kids in costume backstage and lining up to go on stage, which we will create a dropbox and will send out the link in an email for families to access 2-3 days after Concert day.

PICK UP

Once the Concert finishes we ask that just one family member per each student stays in the auditorium.

All students will go back to their dressing rooms to change back into their uniform and collect all of their belongings and teachers/helpers will have two separate pick up points in the auditorium for each class day.
